

LUCY DODGE FOUND, LOST SOCIETY GIRL REMAINS IN HIDING

John Bigelow's Granddaughter
Sees Stepfather, but
Isn't Home Yet.

TIRED OF IDLE LIFE.

Publication of Reward Offer
for Clue to Her Prompts
Her to Reveal Herself.

LONDON, April 8.—Missing for five days, while a small army of detectives searched for her in London and the country districts, Miss Lucy B. Dodge, wealthy granddaughter of the late John Bigelow of New York, has been found. The finding of her has proved as mysterious as her disappearance from the home of her stepfather, the Hon. Lionel G. G. Postmaster-General, at No. 44

Steynour street, Portman Square, last Thursday.
Mr. G. said: "Lucy is safe and, I am glad to say, with friends. It will do Miss Dodge, and me the greatest kindness if you now consider the incident closed."
Although denying vigorously that his daughter-in-law had been married or that there had been "a man in the case," Mr. G. said he couldn't give any details as to the girl's movements since she disappeared.

"We hadn't the remotest idea where she went to until late this evening, when in response to a message I went to a house not far from Marble Arch, in which she had secured lodging," he said last night.

RAN AWAY TO EARN OWN LIVING, BUT TOOK A MAID ALONG.
"I saw Miss Dodge, and it appears that she noticed the report in the papers of her disappearance and immediately communicated with us," he gave an inkling of why Miss Dodge left home when he continued:

"Miss Dodge is perfectly well but has not decided on any particular business or professional appointment yet. She has not had time, as she has only been away from home six days."

Asked if the friends with whom she was now staying were relatives, he replied:

"Yes, but that is all I will tell you." Leaving home with a maid after saying that she had wearied of the conventional life and intended to make her own way in the world, Miss Dodge, who is twenty-three years of age, set the English peerage agog. Step-daughter of a man who is the brother of Baron Ashby St. Legers, the Paymaster-General, she had been one of the leaders in society throughout the winter.

"FOUND HERSELF" AFTER REWARD HAD BEEN OFFERED.
After detectives had scoured the city and suburbs for two days a reward was offered for information as to her whereabouts and an advertisement was inserted in several London newspapers in which the missing girl was described as "the granddaughter of a former American Ambassador to France and a relation by marriage to a British Cabinet Minister."

Then to add to the mystery, Miss Dodge wrote several notes to her mother and step-father, assuring them that she was all right, but not giving an inkling

PIE EATERS, READ OF HARMFUL DRUGS IN YOUR DESSERT.

Mrs. Florence Kelley, Secretary of the National Consumers' League, at the annual meeting in St. Louis told how "pie" is made in many bakeries. She said she would as soon eat mud pies as some of the "delicacies" sold every day. Here is the way she says some "pies" are made:

Pineapple Pie—Artificial flour, sugar, glucose, benzoic acid, coal tar dye, with liquid pineapple flavor.

Apple Pie—Same as pineapple, except a different flavored and colored coal tar dye is used.

Chocolate Pie—Artificial flour, sugar, glucose, benzoic acid and burnt amber dye.

Mrs. Kelley said some baking powders were made by grinding white stone to a fine dust.

of where she was. In no way could the notes be traced to the sending point. It was the publicity her case received that finally caused the girl to reveal her whereabouts to her step-father.

Despite her recent activity in London social circles, her friends said that she had often expressed a desire to get away from it all. She is alleged to have said that the idleness of a fashionable young girl in exclusive English circles was anything but to her liking.

Miss Dodge is an only daughter. Her mother, formerly Mrs. J. A. Bigelow Dodge, married Mr. G. about eight years ago, after obtaining a divorce from Charles Stuart Dodge of New York at Sioux Falls, S. Dak.

BARS DOWN FOR CASTRO.
Government Won't Appeal Decision That Allows Him Entry.

Gen. Cipriano Castro, former President of Venezuela, can now enter the United States when he pleases. Word was yesterday received by United States District Attorney Wise from Attorney General McReynolds that appeal is not to be taken from Judge Ward's decision in the Federal District Court allowing

Castro to come in. This decision overruled the finding of the Immigration authorities barring Castro.
Officials at the Federal Building construed Mr. McReynolds' instruction as an indication of President Wilson's "hands off" attitude regarding South American republics.

STOMACH MISERY JUST VANISHES.

Time It! No Indigestion,
Gas or Sourness Five
Minutes After
Taking "Pape's
Diapepsin."

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of distress, heartburn, fulness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent case, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery.

Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.
